

Aplicando Squad Health Check Model em times de tecnologia.

Squad Health Check Model

Spotify

- Uma forma de **visualizar** e **mensurar** como os times estão evoluindo. 
- Pode ser utilizado por gerentes e coaches para saber onde seus **esforços** devem estar. 
- Deve ser utilizado com foco em **melhoria dos times** e não julgamento ou comparações. 

Contexto da **Empresa**

- Empresa com forte cultura tradicional mas com **vontade em adotar o agile**. 🌈
- Novo time de desenvolvimento com cerca de **50 pessoas** em João Pessoa. 🙄
- Ambiente de desenvolvimento com **tecnologias Java e .Net**. 🧑💻
- Um Agile Coach, prazer eu! 😬

Hello!

Eu sou Daniela Pitta

Estou aqui hoje porque amo falar sobre Squad Health Check Model. ❤️

Você pode me contactar no www.dlpitta.me

Squad Health Check Model

“

Learning

We're learning lots of interesting stuff all the time!

We never have time to learn anything.

SQUAD

HEALTH

CHECK

Mission

We know exactly why we are here and we're really excited about it!

We have no idea why we are here, there's no high level picture or focus. Our so called mission is completely unclear and uninspiring.

SQUAD

HEALTH

CHECK

Pawns or Players

We are in control of our own destiny! We decide what to build and how to build it.

We are just pawns in a game of chess with no influence over what we build or how we build it.

SQUAD

HEALTH

CHECK

Speed

We get stuff done really quickly! No waiting and no delays.

We never seem to get anything done. We keep getting stuck or interrupted. Stories keep getting stuck on dependencies.

SQUAD

HEALTH

CHECK

Delivering Value

We deliver great stuff!
We're proud of it and
our stakeholders are
really happy.

We deliver crap. We feel
ashamed to deliver it.
Our stakeholders hate
us.

SQUAD HEALTH CHECK

Easy to release

Releasing is simple, safe,
painless and mostly
automated.

Releasing is risky,
painful, lots of manual
work and takes forever.

SQUAD HEALTH CHECK

Fun

We love going to work
and have great fun
working together!

Booooooooooring...

SQUAD HEALTH CHECK

Health of Codebase

We're proud of the
quality of our code! It is
clean, easy to read and
has great test coverage.

Our code is a pile of
dung and technical debt
is raging out of control.

SQUAD HEALTH CHECK

Suitable Process

Our way of working fits us perfectly!

Our way of working sucks!

SQUAD

HEALTH

CHECK

Support

We always get great support and help from other teams when we ask for it!

We keep getting stuck because we can't get the support and help that we ask for.

SQUAD

HEALTH

CHECK

Teamwork

We are a totally gelled super-team with awesome collaboration!

We are a bunch of individuals that neither know nor care about what the other people in the squad are doing.

SQUAD

HEALTH

CHECK

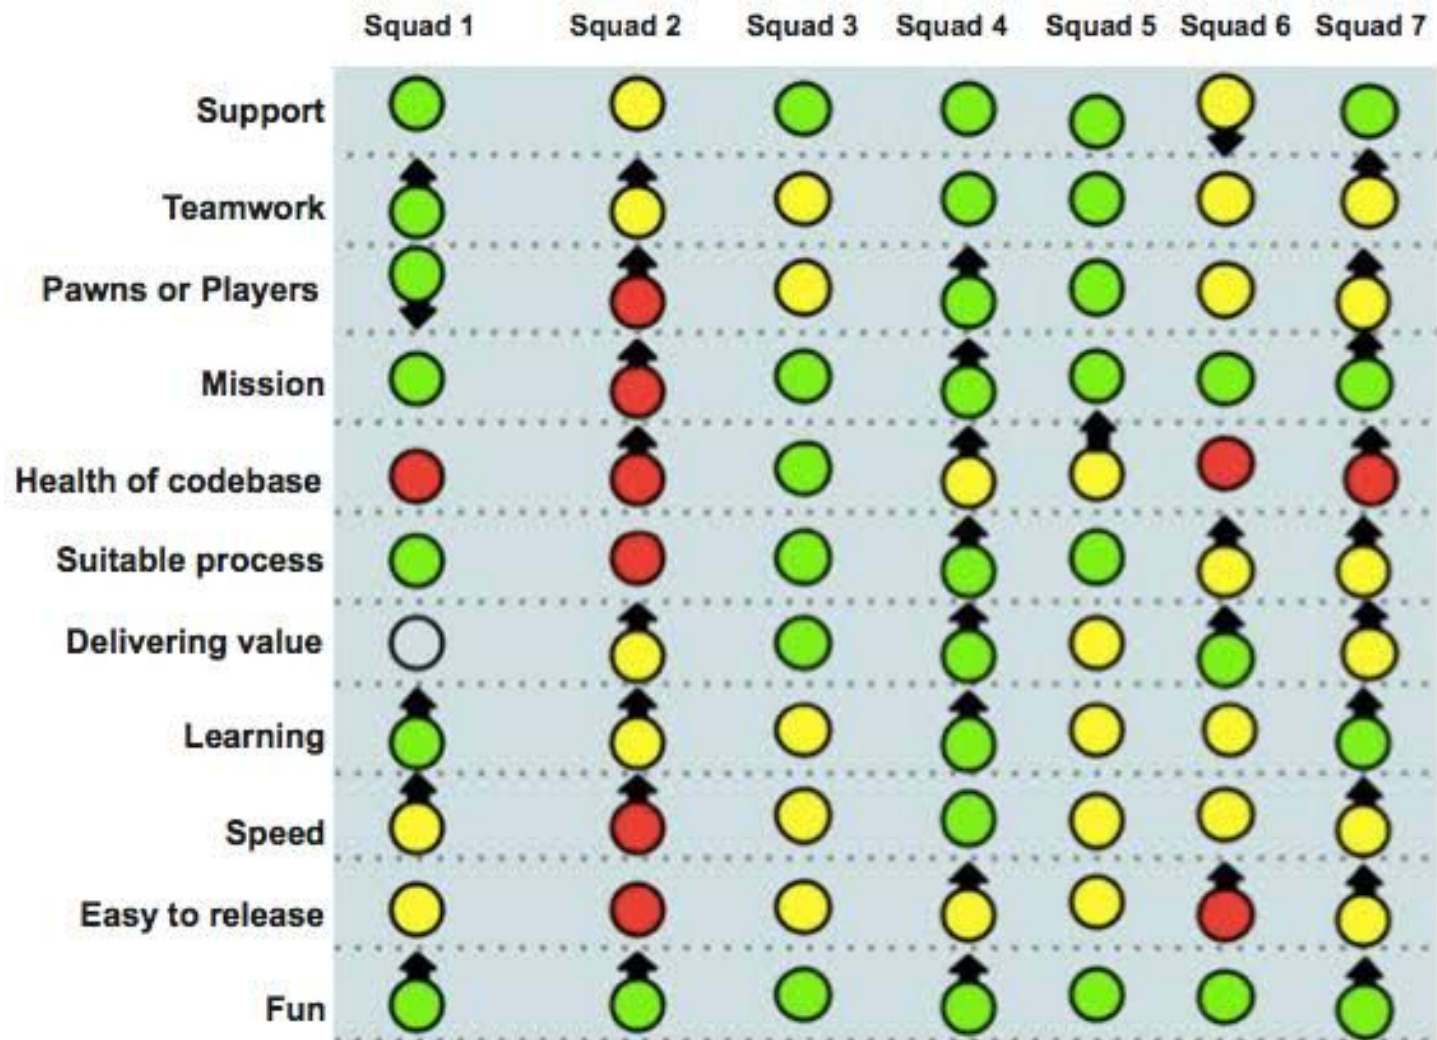

Health of Codebase

 We're proud of the quality of our code! It is clean, easy to read and has great test coverage.

 Our code is a pile of dung and technical debt is raging out of control.

SQUAD HEALTH CHECK

Nosso aprendizado foi:

- O legado precisava ser **atualizado** e **automatizado**. 🔥
- As equipes que sabem sua **missão** conseguem se organizar melhor. 👍
- A empresa não estava preparada para adotar modelos como esse. 😓
- Todos os modelos estão **errados** mas alguns são **úteis**. 🤔

conpay

Conta Digital ;)

- + Adquirência (POS / TEF)
- + Emissão de Boletos
- + E-commerce

Obrigada!

Alguma pergunta ?
