Dynamics 365

➤ Gerencie

Unifique seus dados, obtenha insights preditivos e alcance resultados surpreendentes.

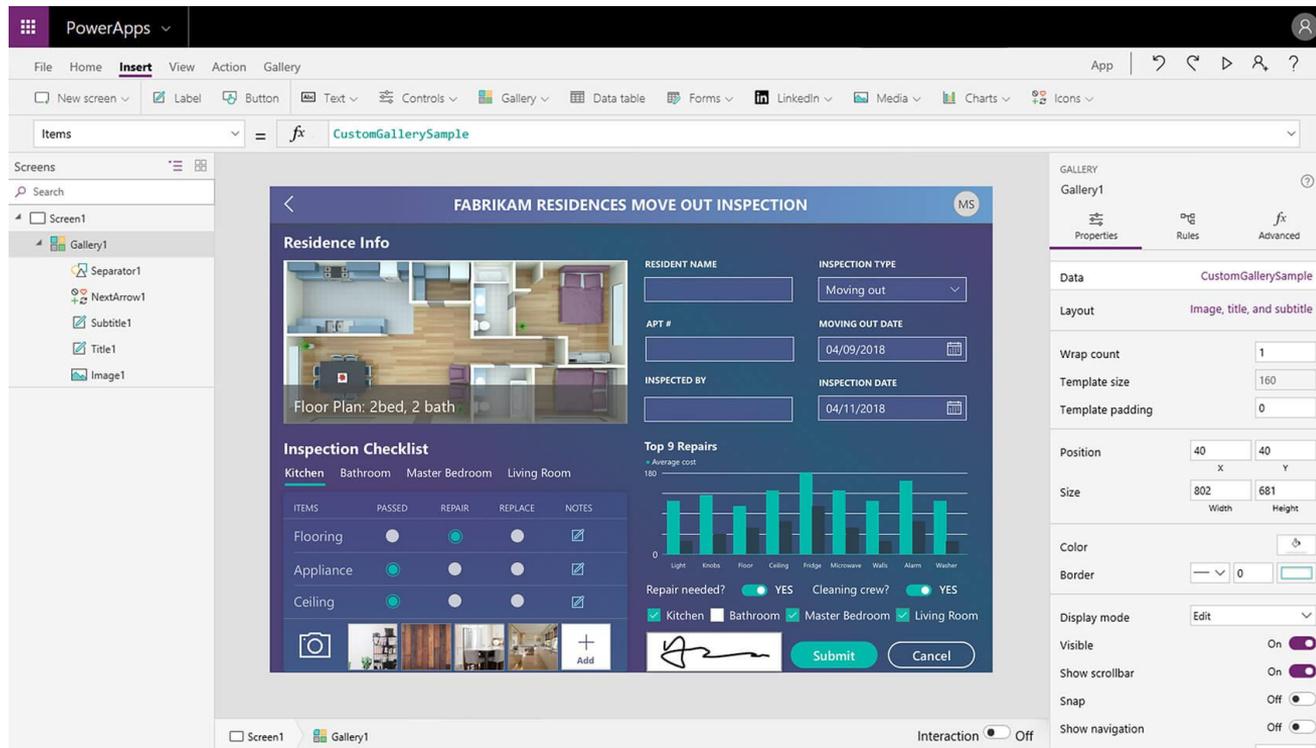

The screenshot displays the Dynamics 365 Sales interface for a sales opportunity. The main header shows the opportunity name, 'Interested in new 3D printer line', and key metrics: '01/30/2019' (Estimate Close Date), '\$81,000.00' (Estimate Revenue), 'In Progress' (Status), and 'Jeff Hay' (Owner). Below the header is a progress bar with stages: 'Qualify', 'Develop', 'Propose (4 D)', and 'Close'. The 'Opportunity Sales process' is noted as 'Completed in 18 months'. The interface is divided into three main sections: 'Summary', 'Timeline', and 'Predictive Opportunity Scoring'. The 'Summary' section lists details such as 'Contact: Alex Wu', 'Account: Northwind Traders-JT...', 'Purchase timeframe: Next Quarter', 'Currency: USDollar', 'Budget amount: \$600,000.00', and 'Purchase process: Committee'. The 'Timeline' section shows a list of recent activities, including 'Jeff Hay modified a task', 'Ruprecht Thaddeus Longname sent an email', 'Alex Wu called', 'Gern Blanson created an appointment', and 'MOD Administrator created an Opportunity for Northwind Traders'. The 'Predictive Opportunity Scoring' section shows a score of 76 and lists 'Top reasons' such as 'Budget Amount is 600000', 'Final Proposal Ready is no', and 'Est. Close Date is 2/15/2019'.

Microsoft PowerApps

➤ Aja

Crie aplicativos em horas, conectando suas informações onde quer que estejam.

The screenshot displays the Microsoft PowerApps interface. The main screen is titled "FABRIKAM RESIDENCES MOVE OUT INSPECTION" and contains the following sections:

- Residence Info:** Includes a floor plan image with the text "Floor Plan: 2bed, 2 bath".
- Form Fields:** Resident Name, APT #, Inspected By, Inspection Type (Moving out), Moving Out Date (04/09/2018), and Inspection Date (04/11/2018).
- Inspection Checklist:** A table with columns for ITEMS, PASSED, REPAIR, REPLACE, and NOTES. Items include Flooring, Appliance, and Ceiling.
- Top 9 Repairs:** A bar chart showing average cost for various items: Light, Knobs, Floor, Ceiling, Fridge, Microwave, Walls, Alarm, and Washer.
- Repair needed?** YES (checked), Cleaning crew? YES (checked).
- Checkboxes:** Kitchen, Bathroom, Master Bedroom, Living Room.
- Buttons:** Submit and Cancel.

The interface also shows a navigation pane on the left with "Screen1" and "Gallery1", and a properties pane on the right for "Gallery1" with settings like Data (CustomGallerySample), Layout (Image, title, and subtitle), and various display options.

The screenshot displays the Microsoft PowerApps Studio interface. The browser address bar shows the URL: <https://zs.create.powerapps.com/studio/?action=edit&app-id=%2Fproviders%2FMicrosoft.PowerApps%2FApps%2Fdb9381a5-be7f-48d0-b705-be462f45e791>. The interface includes a top navigation bar with 'PowerApps' and 'Environment: Microsoft (default)'. Below this is a ribbon menu with 'File', 'Home', 'Insert', and 'View' tabs. The main workspace shows a 'Patchtesting' data card with the following configuration:

- Data source:** Patchtesting (Microsoft@Worken.onmicrosoft.com | SharePoint)
- Layout:** Vertical
- Fields:** Modified By, ID, Identifier, Link to item, Name, File name with extension, Folder path, Has attachments, Item is a Brand
- Attachments:** There is nothing attached. Attach file

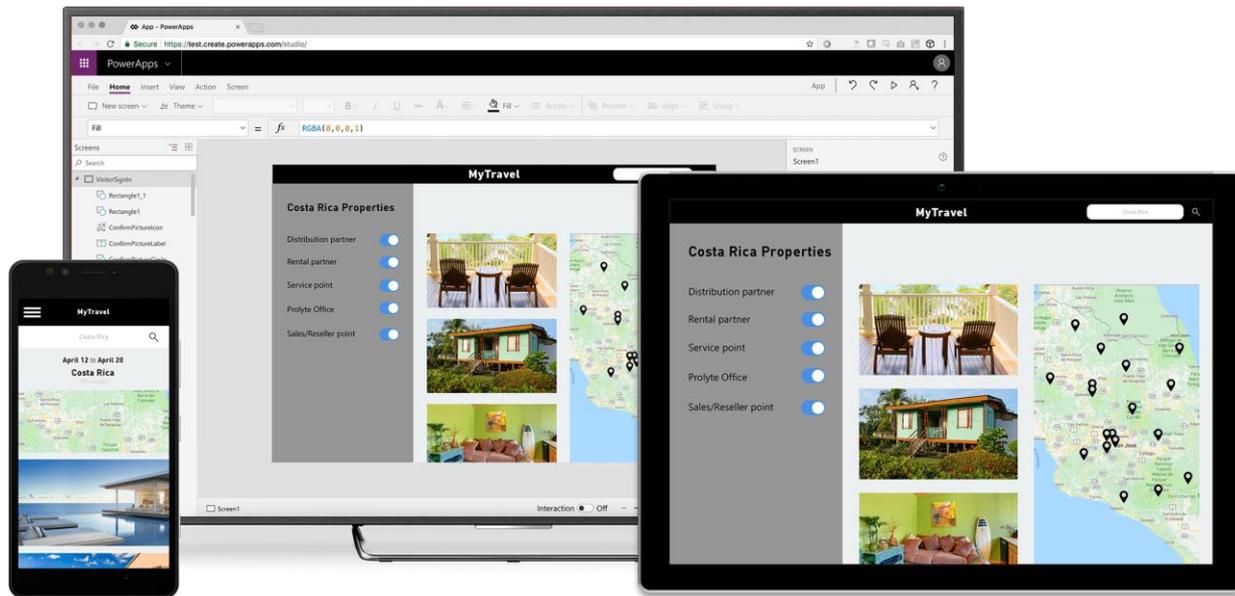

The right-hand side of the interface features a 'Properties' pane for the selected 'DataCard1' control, showing fields for Position, Size, Color, Border, Display mode, Visible, and Width fit.
